HAND MADE GOURMET FINGER FOOD COMPANY

## Our Story

CuisineCorp Australia is currently the largest manufacture of variety handmade gourmet finger foods and canapes in Australia, with more than 20 years of experience in the food manufacturing market.

CuisineCorp Australia has a wealth of expertise in all aspects of the Food Service industry, working closely with leading retailers, hotel brands, catering companies, convention centers, restaurants, government, sporting arena's, clubs and cinema entertainment.

The business has rapidly grown and has out grown two factories over the past few decades. One of the key attributes to this growth, has been the attention to detail & developing consistent quality products that exceed customer expectation.

The workforce has grown from an initial three staff to now over fifty, and at the same time the business has been able to retain its personalized approach while incorporating contemporary business systems and equipment.
